My dear Sir,

In submitting the photographs of the New Durbar Hall, I have written "approved by His Highness" behind the one (taken by the Palace Photographer) which His Highness has selected for insertion in Her Highness' Xmas & New Year Cards.

I am directed to return the accompanying files and papers for disposal

and ~~approval~~ perusal. The paper
Concerning the meeting of the
Railway people about the
carriage of mails and passengers
from Bombay to Ootacamund-
nds, I believe submitted to His
Highness by the Dewan.
His Highness wishes to know
your opinion about the Xmas
appeal of the Ootacamund
Chaplin. Should His Highness
give something or is it not
necessary? I noticed from
the subscription list, that
had come with the letter,
that the Governor of Madras
had given Rs 100/- and
some of the local residents
Rs 50/- each.
Also His Highness wishes to
know if telegrams of good
wishes will be sent on the 27th
inst. to Their Excelencies
and the Bride & Bridegroom
at Madras?

We will be back in Mysore
on the 20th.

Yours obediently
Kali Rao.
